YOURS

Yours to keep

site and domain in your name

01 WHERE WE STARTED

What we built it around.

01

Spray all day. Or build your own.

Your two kits. Option 1 lets the drone's spray drift into a soft mist that the words sit in, with each kit linked.

02

More coverage, less waste.

Your spraying services heading. Option 2 is after dark: the drone's blades spin up into gold discs over the canopy.

03

Technology should work for the farmer.

Your mission. Option 3 turns your logo into a photograph: the mountain and drone above, the band and field below.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** Up to five pages built out from the top you've just seen, in the same look, with your own words: your XAG and Vector kits, spraying services and hands-on training. On your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for the growers who already know you, so they hear about the new site from you.	$350
04	**A launch ad set** Twelve ads, each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant built around your business that picks up your line when you can't. You teach it by text, and every call it takes becomes a short written record you can read after.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 7 NOVEMBER 2026

BONUS	**Email setup and list import** We set up your email sending and bring your customer list over, ready for the launch email.	$180

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. Modern hosting with SSL, and every version saved, so any change can be rolled back.

03

Who owns it?

You do. The site and the domain are in your name, not ours. Hosting is included and nothing renews unless you ask. If you ever want to move it, you get every file.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

06

What if the brands I carry change?

Then the site changes with it. Product pages are built to swap.
